Sir,

sub:- REVISED ESTIMATE For 1949-50.

Ref:- Your Pdl 10/49 dated 29-11-49.

I submit herewith an application for additional and surrenders under "63" Extraordinary Charges- Charges in India- MPSS&A BD and DSS&A Boards" for 1949-50 based ~~based~~ on the approved Revised Estimate for 1949-50 communicated in your Pdl 10/49 dated 29-11-49 and the expenditure incurred up to the end of November 1949. The expenditure under each head is limited to the irreducible minimum, as the additional allotments applied for therein are quite necessary for the current year, they may please be sanctioned.

2/ The expenditure under other charges has already been exceeded the approved Revised Estimate for 1949-50 as shown in the application enclosed mainly on account of increased expenditure under service postage stamps as a result of general increase ~~of~~ in the despatch of correspondence. I may also be permitted to incur the additional expenditure under this head subject to the amount applied for by me for 1949-50 in case it takes some time to sanction for additional of allotments now applied for as the same expenditure ~~under service postage stamps~~ is to be incurred under service postage stamps urgently as there is no stock of service postage stamps on hand.

Sub:- Revised Estimate for 1949 - 50 and Budget estimate for 1950- 51.

Ref:- 1. Pdl. 10/ 49- 50. D/ 5 - 10- 49.
2. Pdl. 10/49- B. D/ 29- 11- 49.

The allotment under 'Other Charges' communicated in your letter first cited was Rs.2100/-, the expenditure under which head was being very carefully watched inorder not to exceed the estimate.

From your letter second cited it is seen that a reduction of Rs.640/- has been effected under this head. A total of Rs.1374-7- 3 has already been expended which according to the present estimate leaves only Rs. 85 - 8- 9 for December 49 and January to March '50

It is not known how the expenditure for postage etc are to be met during these months. In this connection I am also to bring to yourk kind notice that Malabar is the heaviest recruited area which covers a very vast jurisdiction of ten taluks and the Ex Service personnel of this area are very frequent petition writers. For all administrative purposes Malabar is divided into two divisions North & South Malabar by the Provincial Government which itself proves the vastness of this district.

Under the above circumstances I am afraid the work of this office will have to be at a standstill if the original allotment of Rs.2100/- is not sanctioned for the year 1949/ 50 and 1950/ 51. Even to keep the expenditure in the previously sanctioned amount of Rs.2100/-, whilst the postage rates were increased every possible cut was being effected in the office for the day to day correspondence work. It is therefore requested that this case may be reviewed and your decision communicated at a very early date.

It is submitted that in your reference No.Pdl.10/49-B dated 4.8.49 a sum of Rs.450/- was allotted under other charges for the year 1949/50. While submitting Budget Estimates for 1950/51 and Revised Estimates for 1949/50 in this office No. Pdl.B.12/49 dated 1.8.49 a sum of Rs.250/- was anticipated for the 8 months i.e. from 1.8.49 to 31.3.1950. In your No. Pdl.10/49-B dated 29.11.49 only Rs.210/- has been allotted under the charges for the year 1949/50.

2. In this connection I submit that the total expenditure on Service Postage Stamps alone for the period ending 31.11.49 is Rs.130/-. At this rate a sum of Rs.65/- is required for Postage Stamps for the 4 ~~months~~ ending 31.3.1950. The total expenditure under other charges upto the end of November 1949 is Rs.180/3/0 and the balance of amount is only Rs.29/13/0 which is not adequate even to meet the expenditure on Service Postage Stamps upto 31.3.1950 leaving charges other than Service Postage Stamps. It is, therefore, essential that a sum of Rx atleast Rs.80/- be granted as an additional appropriation.

3. I, therefore, request that ~~necessary arrangements to allot the amount required~~ the additional allotment of Rs80/- may be made at an early date for the year 1949/50.

A/ 3/1/50.

I submit that the amount of Rs.210/- alloted under other charges for the year 1949-50 and 1950-51 is quite inadequate as all the Pension documents and correspondence have to be sent by Registered Post only. In addition a number of letters have also to be sent by ordinary Post every day. The minimum requirement of Postage Service Stamps on average is ~~atleast~~ about Rs. 40/- per month.

So far, an amount of Rs.270/- from the allotment for 1949-50 and Rs.100/- from the previous years' allotment 1948-49 (bill encashed on 22-3-1949) has already been spent and atleast Rs.100/- more is required for the remaining months of 1949-50.

I therefore, request that an additional allotment of Rs.160/- for 1949-50 and Rs.500/- for the year 1950-51 (~~Service~~ Postage Rs.480/- & other contingenries Rs.20/-) under other charges may please be sanctioned at an early date.

Sir,

Sub:- Revised Budget estimate for 1949-50 and for 1950-51.
Ref:- Your PDL No.10/49-B dated 29-11-1949 and this office No.1015/D1/49 dated13-10-49 in reply to PDL/10/49-50 dated 5-10-49

The fact xxx of the inadequacy of the Budget estimate sanctioned as per the Revised Budget estimate No.PDL 10/49/29-11-1949 was personally discussed with the Secretary Madras P.S.S.& A Board,Madras during his visit to this Office on 17-12-1949, who has instructed to make an application to the Secretary M.P.S.S. Board, Madras. The following points are therefore put up for favourable consideration and reallotment of funds to cover the expenditure under the heads enumerated.

2. The actual charges incurred in connection with Travelling allowances of non-official members comes to Rs.110/-(two bills, one already passed for Rs.54/10/-and paid, the other claimed for Rs.54/10/- pending countersignature) till date. The Travelling allowance of the members who attended the quarterly meeting held on 6th Decr.1949 is yet to be claimed, which amounts to Rs.29/-. The next quarterly meeting is to be held on 6th March 1950 and the Travelling allowances of the members who may attend the meeting them is to be claimed which will come to about Rs.55/- in case all the four members attend. Thus an amount of Rs.195/- is required for expenditure for 1949-50, whereas the amount sanctioned as per the Revised estimate is only Rs.80/- for 1949-50. The difference of Rs.115/-(Rs.195/- minus Rs.80/-) is required to cover the T.A.if the members are to attend the Board Meetings till March 1950. Therefore it is requested that an additional amount of Rs.115/- may kindly be allotted under the Travelling allowance.

3. Other charges.

Under the item 'Other charges' the charges incurred on the supply of the service postage stamps and other office contingent charges, and subscriptions to magazines are to be included.

The amount expended under office contingencies xxx till date comes to Rs.31-10-0, and under the supply of Service Postage Stamps comes to Rs.885/- till date. For the remaining three months an amount of Rs.300/- will be required. The amount allotted under this item is Rs.930/- whereas an amount of Rs.916/-is already expended. Therefore a balance of Rs.13-6-0 remains on this date. The total amount required will be Rs.315/-.

4. In view of the above reasons set forth it is requested that xx sanction xx a further amount of Rs.315/- under the item Other charges and Rs.115/- under Travelling allowance may kindly be allotted for the year 1949-50, and a similar amount for 1950-51 also to cover all expenses.

---

1 An amount of Rs.515/- towards other charges was sanctioned by the Provincial Board in the latest approved revised estimate for the current year 1949/50. But an expenditure of Rs.653-8-0 has already been incurred towards Service Postage and other charges. A detailed statement for the expenditure for the period from 1-4-1949 to 10-12-1949 is enclosed for your perusal. An avarage monthly expenditure from 1-4-1949 is Rs.83-10-0 towards service postage. Hence the actual expenditure anticipated for the remaining period of the current year 1949/50 on account of service postage and other charges will be Rs.335/- @ Rs.90/- per month.

2 An amount of Rs.80/- towards Travelling Allowance for one non-official member for two meetings from Palakonda taluk was sanctioned previously in the revised estimate for 1949/50 in the Provincial Board's letter Pdl.No.10/49-50 dated 5-10-1949 as estimated in this office L.dis 3663/49(Pdl.13/49) dated 26-8-1949. Now the amount of Rs.80/- towards travelling allowance has been reduced to Rs.40/- for 1949/50 by the Provincial Board. I have already submitted the T.A. Bill of Sri N. R. Apparao Naidu for Rs.36-8-0 for the month of November 1949 under this Office R.C.No.5515/49 D-2 dated 15-12-1949 for your countersignature. Hence It is not possible for this Board to invite the member Sri N.R. Apparao Naidu for the 4th Quarterly Meeting of this Board to be held in the month of January 1950 unless the amount of Rs.40/- now sanctioned for 1949/50 is increased.

3 I also submit that one member from Bimilipatam taluk will be invited for the nest Quarterly meeting of the current year. No provision was made in the Budget estimate for 1949/50 for his Travelling Allowance. Hence the estimated Travelling Allowance for the current year 1949/50.

4 A sum of Rs.740/- and Rs.160/- was allotted towards Dearness Allowance and Other Compensatory Allowance respectively. But the anticipated expenditure on account of Dearness allowance will be Rs.744/- and Other compensatory allowance will be Rs.156/- for the current year. Hence the excess of Rs.4/- out of the head of O.C.A. may please be transferred to the amount or Rs.740/- sanctioned towards Dearness Allowance.

I reqaest therefore that the Provincial Board may be pleased to accord early sanction of ~~Rs.4-~~ Rs.545/- as additional budget under the following heads for the current year 1949/50.

It has already been pointed out in this Board's Memo. No. Pdl. 10/49-B Dt. 29.11.49 that the cut in the Revised Estimate for 1949-50 was due to the modifications made by Govt. and the Secretaries have been instructed to see that the expenditure is curtailed accordingly. The additional allotment now asked for by the Secretaries is however sanctioned, as shown below, from the little reserve held by this Board. ~~The Secretaries are once~~ It is once again impressed upon the Secretaries that the revised limits ~~are~~ not be exceeded and all efforts should be made to effect savings out of the revised allotment :-

Urgent

Dear Mr. Pushparaj,

Sub:- REVISED ESTIMATE FOR THE YEAR 1949-50 AND BUDGET ESTIMATE FOR 1950-51.
Ref:- Your Pdl. 10/49 dated 29-11-'49.

I refer you to this Office letter No. Pdl/49 (3) dated 7th December '49 in which I requested you to enhance the Budget allotment under "Other Charges" to Rs. 900/- and so far no reply has been received from you inspite of my reminders.

In this connection I wish to refer your letter No.10/49-50 dated 5-10-'49 in which the Budget allotment under "Other Charges" is Rs.900/- and accordingly I have expended Service Labels worth Rs.600/- already. As this D.S.S & A. Board caters two districts namely Coimbatore and Nilgiris, I request that the Budget allotment under "Other Charges" may be enhanced to Rs.900/- immediately.

Yours Sincerely,

To

Sri. P.K. Pushparaj, B.Sc., B.L.,

D.O.No. 5744/Ka dated 7-1-50

My dear Katre,

Reference your D.O. letter No. Pdl/49 Dy 5.1.50

I write to inform you that orders are under issue increasing the allotment to Rs. 900/- under "Other charges". The matter was delayed as similar requests from certain other Boards had to be considered together before sanctioning any increase in the allotment.

Yours sincerely,
